

## Getting Started

# DIY Fence Kit

Know Your Layout

01

Know where the fence needs to go and how many panels, posts (corner, lines, and ends), and gates your project will need

Order Your Material

02

Fill out an Ocala Fence Order Prep Sheet and use this information to order your material from Ocala Fence. You can order online at [ocalafence.com](http://ocalafence.com) or by calling (352) 274-0823

Pick Up Your Material

03

After your order is placed, we'll have it ready for you to pick up within 24 to 48 business hours

Build Your Fence

04

It's time to start building your fence! Check out [OcalaFence.com](http://OcalaFence.com)/YouTube for helpful tips and tricks to make building your fence easier

Enjoy Your New  
Fence!

05

Sit back and appreciate the new fence you built!
