

DIY Kit Return Policy

Our DIY Fence Kits are returnable for 30 calendar days after purchase date. Kit must be unopened and sealed in original packaging. Customer must provide sales receipt or order number to receive refund.

All products and parts must be included in kit. If packaging seal is broken, product cannot be returned. Any damaged material may be exchanged for the exact product on a case by case basis.

Ocala Fence is not responsible for any measuring errors, final quantities ordered, or take-offs. Please review your material list in full before submitting your order.
